**The PEAK School, Inc.**

"Pathways to Educational Acceleration for Kid"

Dear PEAK School Families,

We are excited to introduce **Leading Edge Academy Flagstaff (LEAF)**, a new Kindergarten through 8<sup>th</sup> grade public charter school coming to Flagstaff. They have six school campuses throughout Arizona. LEAF has many wonderful educational opportunities to offer our PEAK School families including free tuition, character counts program, rigorous academics, National School Lunch Program, small class sizes, inclusive special education services and various sports. One confirmed location for the school will be NPHX Baptist Church Flagstaff located at 3400 E Lockett Rd. They are working on finalizing the second location in the Sunnyside neighborhood for the 6<sup>th</sup> – 8<sup>th</sup> grade campus, transportation will be provided between the two campuses.

The PEAK School administration feels that LEAF will provide a similar educational experience to PEAK School families including differentiated instruction, smaller class sizes and a comfortable family feel. For these reasons, we are recommending LEAF to families as they look for a new school for their children.

Attached is an informational letter from Leading Edge Academy charter school to our PEAK School families providing more details. In addition, please visit their website to indicate interest for next school year. Joining the interest list online will help LEAF make plans for the next school year and give your child the first opportunity to enroll. Thank you,

The PEAK School Administration  
928-779-0771

Hello PEAK Families!

We are excited to announce that Leading Edge Academy is coming to Flagstaff! Leading Edge Academy Flagstaff (LEAF) is in the process of getting approval to add a K-8 elementary school to open for the upcoming school year! We will have official word in April or May at the latest but are confident that there won't be any issues with approval. After lots of conversations with PEAK, we believe our program will be similar to what you are currently being offered and won't be found anywhere else in Flagstaff!

### **Why LEAF? What makes LEAF different?**

- **Character Education**

"Character Above All Else" is our number one core value! We truly believe that character is what leads to success. We ensure that character education is woven throughout every subject and every aspect of our school.

- **Academic Excellence**

Leading Edge Academy is a network of charter schools that successfully serves over 2,200 students across Arizona! We utilize an award winning, proven curriculum. All of our teachers will be appropriately certified and receive extensive training. All of our current schools are rated as A or B by the State of Arizona!

- **Small Class Sizes**

We believe that the best way to educate students is in small class sizes! We also ensure that every classroom teacher has the extra support of a paraprofessional! This means we have some of the lowest student to teacher ratios in the state. When you walk into one of our classrooms, you will see students in small groups being taught to the level that meets their specific needs! Education is not one size fits all and we make sure that we support all levels of students!

- **Art, Music, Sports, and PE!**

Students need a well rounded education! LEAF will offer Music, Art, and PE to ALL students K-8. We will also have elementary competitive sports teams like Basketball and soccer, depending on interest!

- **NO Cost!**

Money should never be required to educate your child! This is why our K-8 program is completely free!!

- **Participate in the NSLP**

We know that it is important that students receive food every single day! This is why we will participate in the National School Lunch Program. If your family qualifies, you can receive free or reduced meals provided by the school!

- **Open to All!**

All students who are eligible to enroll in Kindergarten through 8th grade may attend LEAF! Please join our interest list so we can start planning how many classrooms we will need for next year!

### **Locations?**

Our current confirmed location is NPHX Baptist Church Flagstaff located at 3400 E Lockett Rd Flagstaff, AZ 86004. Depending on interest, we are anticipating opening a second location for our 6th-8th graders potentially at Canyon Chapel just steps from PEAK's current location at 1919 N Fourth St Flagstaff, AZ 86004. (We are also considering PEAK's current location for our second location.) This is why the interest list is so important as it will determine how many spaces we will need! For parents who have K-5th graders and 6-8th graders we will be offering one convenient drop off location at our elementary school and we will provide free transportation to our second location to families!

### **I'm Interested, What Now?**

If you are interested in sending your child to LEAF please join the interest list at [www.leadingedgeacademy.com/leaf](http://www.leadingedgeacademy.com/leaf). Families who join the interest list will have the first opportunity to enroll when we are officially approved!

### **More Questions?**

You can email [network@leadingedgeacademy.com](mailto:network@leadingedgeacademy.com) or call our Network office at 480-633-0414.
