The PEAK School, Inc.

"Pathways to Educational Acceleration for Kids"

February 23, 2022

Dear PEAK School Families,

After a great deal of deliberation, we have made the difficult decision to permanently close The PEAK School at the end of this school year.

These last few years have been full of unexpected challenges for everyone. Ever changing Covid safety requirements, ongoing testing, and quarantines quickly became a part of daily life. Remote learning also presented unique obstacles. Through it all, we have worked with teachers, staff, and parents to ensure students received the best possible education.

Unfortunately, declining enrollment, ever-increasing costs to lease our building, other increasing operational costs, changes in personnel, and increased State and Federal regulations and requirements have made it impossible to continue to keep the school open. We are proud to have served our students and their families for the last 20 years.

We are forever grateful for the community support we have received and have enjoyed getting to know our students and their families. We have especially enjoyed watching as students thrived and succeeded during their time at PEAK.

In an effort to make the transition to new schools as easy as possible, all student records will be mailed home to families after June 15th, 2022.

We wish you and your child the best in future educational endeavors.

Sincerely,

Paula M. Drossman, M.Ed.
Co-Charter Operator/Superintendent

Ron Drossman, M.A., NCSP
Co-Charter Operator/Program Specialist
