

## A PEAK at Our Week

### Kindergarten Core Knowledge®

We are so close to finishing the school year!

This week your kiddos worked hard during their language arts and math assessments to show all that they learned throughout the year. We also reviewed word families and subtraction. In science we learned about plant life cycles and all the ways humans benefit from plants. In geography we reviewed the names and locations of the 7 continents.

Thanks for helping support our music performance on Tuesday night. Next week, we have field day on Wednesday (5/30). Please remember to send your child to school with sneakers, a hat, sunscreen (already applied), and a water bottle. Thursday (5/31) is kindergarten graduation at 10am, and the last day of school! Please join us afterward for a potluck brunch on the kindergarten playground. Please bring a brunch food or drink to share if you are able to contribute. Enjoy your Memorial Day weekend, and I look forward to a few more days with your kids next week.

### Extended School Program

We had a great week in ESP. We will not be going to the Park on Wednesday, May 30th. There will be no ESP on May 31st. Have a great summer!

### Friendly Reminders:

Morning ESP opens at 7:30 am please don't drop your child/children off prior to that. ESP closes at 5:30 everyday.

Thank you, Mrs. Black

### Music:

ALL GRADES! It's time for one last push - We have to prepare our songs for the end of year concert! We will use all the lessons we've learned through the year to put on a GREAT show for our friends and family!

### 1st Grade Core Knowledge®

Phew!! What an amazing year we have had! Only 3 days left until summer break!

I am so proud of the growth of each and every student this year! Thank you to all of you for your continued support of our classroom with field trips, snacks, and supplies donations. We appreciate you!

This week in Language Arts we took our final benchmark exam which focused on lessons 26-30.

In Math we completed double-digit addition, summer themed, coloring sheets.

In History we started learning about the geography of Mexico as well as cultures related to Mexico.

Next Wednesday is field day! Please send your child with close-toed shoes, a hat, sunscreen, and a water bottle. Thursday is the last day of school and there is **NO ESP** after school. All students are to be picked up at 1:00pm. Have a great Memorial Day weekend and thank you for allowing me the pleasure of teaching your children this year! ~Mrs. Doyle

### 2nd/3rd Core Knowledge®

Next week is our last week of school! Thursday, 5/31 will be our last day of school. I have so enjoyed having your child in my class. Thank you for an amazing year, students and parents! This week in ELA we took our last Benchmark test and finished the week with centers. In math we did centers and learned about temperature, weight, and capacity. We finished our unit on Ancient Greece in Social Studies. There is no school Monday for Memorial Day.

Wednesday is Field Day. Wear tennis shoes, a hat, and bring sunscreen and a water bottle.

Thursday is the last day of school. We dismiss at 1pm and there is NO ESP.

Please contact me with any questions.

-Mrs. Good

### 3rd Grade Core

#### Knowledge®

I can't believe we are done with the last full week of school! This week has been all about finishing up our units in Language Arts, Math, Science and History/Geography. On Tuesday, students also enjoyed a final no RR movie and cookie decorating party. This has been a huge success in keeping students on track with completing homework. There are a couple of things for next week you need to know about.

First, we have Field Day on Wednesday. Students need to wear tennis shoes and sunscreen. They may also bring a water bottle.

On Thursday, we are having a breakfast party with a small awards ceremony after that. Students will get their yearbooks and take home their math books.

Their report cards will also go home. There is NO ESP the last day of school. All students need to be picked up at 1PM. If you have any questions or concerns about the next few weeks, don't hesitate to call me. Mrs. Eubanks

### Calendar of Events

May 28th-No school for Memorial Day Holiday

May 30th-Field Day

May 31st-Last day of school at both campuses.

Dismissal at 12:45 for Spruce Campus and 1:00 for First Campus.

THERE IS NO ESP THE LAST DAY OF SCHOOL!

### Physical Education

Spring is here and we are excited to be outdoors when the weather permits. Please continue to send your child to school in appropriate clothing and footwear.

Have an amazing long weekend!

**7<sup>th</sup>/8<sup>th</sup> Grade Core Knowledge®— Mr. Linder**

Crazy to think that the school year is almost over! This has been a fun filled week with several field trips and presentations. In Language Arts, we wrote our 8<sup>th</sup> grade promotion speeches that we will share to you all next week. Please note that there is no school on Monday, May 28<sup>th</sup>. Upper campus will be attending a field trip to the Lava Tubes on Tuesday, May 29<sup>th</sup>. Permission slips have been sent home and our class is still in need of drivers. If we do not have enough drivers we will not be able to go. Just a reminder that 8<sup>th</sup> grade promotion will be on Thursday, May 31<sup>st</sup> at 11AM in Suite D at lower campus. There will be a pot luck after and if you could bring anything to share that would be greatly appreciated. If you have any questions or concerns please contact me at [rlinder@peakschool.org](mailto:rlinder@peakschool.org) or the main office at 928-779-0771. Have a great weekend!

**Core Knowledge® Art**

It is hard to believe that this was our last week of art! What a fantastic year it has been! It was a JOY to see each of you blossom as young artists and to see the work that you produced was amazing. I hope that you all have a safe and wonderful summer and I can't wait to start our new year with you!
